Content: This course is intended for students in the behavioral sciences. The prerequisite for this course is MATH 101 or scoring well enough on the MPE to be exempt from MATH 101. This course covers Chapters 1-8 and 10 in the text, with several sections omitted.

Homework: Problems will be assigned regularly from the text. We will go over most of these problems together in class. Students are expected to do the assigned HW.

Grade Components: Quizzes 15%

Projects (2) 10% (5% each)

Tests (3) 60% (20% each)

Final Exam 15%

An incomplete will be given only to students with a passing grade who miss the Final Exam for reasons beyond their control (documentation required).
Examinations: All examinations will be closed book. Calculators are needed. Formula sheet permitted.

Make-up exams are allowed only for medical reasons or other legitimate extenuating circumstances beyond the student’s control. Documentation may be required.

The Final Exam covers the entire course and is scheduled for Monday, May 9th from 8 to 10 a.m. in FD 106.

Cheating: Cheating on any part of an exam will result in a zero on the entire paper.

Electronic Devices:

The use of electronic devices (other than calculators) is not permitted during class. Students with special needs may be granted an exception upon explanation.

Cell phones must be turned off before the start of class.

Calculator: The TI-83 or TI-84 will be used for demonstration purposes.
