READ THIS SYLLABUS CAREFULLY.
YOU ARE RESPONSIBLE FOR KNOWING THIS INFORMATION!

Prerequisite: MATH 101 (C- or higher) or Placement Examination

Restrictions: No credit given to students with credit for MATH 119, 124, 135 or 152. If you have any questions about these restrictions, contact the Department of Mathematical Sciences at 860-832-2835.

Course Description: Study of relations, functions (special emphasis on the six trigonometric functions), inverses, and graphs. An analytic approach to trigonometry using circular functions, angular measures, identities, graphs and inverses.

Basic Goals of the Course: This course introduces students to the fundamental concepts of trigonometry with a view to facilitate application to various fields.

Instructor: Thomas J. Tiezzi

Phone: 860-832-2835 (Math Dept) (Please use phone for urgent matters only; for all other matters please use email to contact me)

E-Mail: tiezzi_thj@ccsu.edu

Office: Maria Sanford, Room 211/Room 219

Office Hours: Tuesday and Thursday, 2:55 P.M.–4:25 P.M. and by appointment

Coverage: Chapters 1, 2, 3, 4, 5, 6, 7

Class Meeting Times and Place: Tuesday and Thursday, 5:55-7:10 P.M.
Frank J. DiLoreto Hall, Room 106
Attendance will be taken

Blackboard Learn: The instructor will use Blackboard Learn, as well as other means, to communicate with students. Students must check Blackboard Learn for postings of grades, assignments, due dates, changes in schedule, etc.

Electronic Devices Policy: Cell phones, laptops, MP3’s, PDA’s, or any form of personal electronic or communication devices, are not to be used during class, exams, or quizzes unless special accommodations are necessary.
University Policies:

1. You must take the final examination at the time specified in the course selection book: **Thursday, May 12, 2016, 4:30-6:30 P.M., in Frank J. DiLoreto Hall, Room 106.**

2. Please contact me privately to discuss your specific needs if you believe you need course accommodations based on the impact of a disability, medical condition, or if you have emergency medical information to share. I will need a copy of the accommodation letter from Student Disability Services in order to arrange your class accommodations. Contact Natalie Stimpson-Byers in Student Disability Services at: (860) 832-1957, Willard Hall, Room 101-04, if you are not already registered with them. Student Disability Services maintains the confidential documentation of your disability and assists you in coordinating reasonable accommodations with your faculty.

3. The CCSU honor code for Academic Integrity is in effect in this class. You may find it online at: [http://web.ccsu.edu/academicintegrity/UndergradAcadMisconductPolicy.htm](http://web.ccsu.edu/academicintegrity/UndergradAcadMisconductPolicy.htm). Please read it carefully. As this policy clearly states, plagiarism and other forms of cheating are forbidden. All writing and other creative work you submit in this class must be your own. You will be punished justly if you use any author’s phrasings or ideas without citation.

   **You are responsible for understanding and abiding by the University’s policy on academic integrity. This policy is rigorously enforced by the Department of Mathematical Sciences.**

4. In the event of a weather emergency which requires curtailment or cancellation of classes, listen to WTIC (1080 AM) or call (860) 832-3333 for the “general snow message.”

5. The last day to drop the course is **Monday, January 25, 2016**.

6. The last day to withdraw from a course and receive the grade of “W” is **Monday, April 18, 2016**. Approvals for withdrawal on or prior to this date are not required; however, it is strongly recommended that students consult with their academic advisors prior to deciding to withdraw. Cessation of attendance, notice to the instructor, or telephone calls to the Enrollment Center are not considered official notice of a student’s intention to drop the course. After April 18th withdrawals are allowed only under extenuating circumstances and require approval of the course instructor, department chair and dean of the School of Arts and Sciences. A poor grade is not considered an extenuating circumstance.

Resources Available:

1. If you need help, take advantage of your instructor's office hours. Do not wait until just before the first test to do so.

2. Free tutoring is available in The Learning Center -- located in Willard Hall, Room 101. They can be reached at (860) 832-1900. A schedule for the hours the Center is open will be posted soon after the beginning of the semester.
3. Form a study group with other students in your section. Explaining solutions to homework problems to each other is a good way to learn.

4. A list of private tutors for hire is available in the Math Department office, Room 107 Marcus White, (860) 832-2835.

**Evaluation**

Minimum averages have been established for each of these grades:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Minimum Average</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>93%</td>
</tr>
<tr>
<td>A-</td>
<td>90%</td>
</tr>
<tr>
<td>B+</td>
<td>87%</td>
</tr>
<tr>
<td>B</td>
<td>83%</td>
</tr>
<tr>
<td>B-</td>
<td>80%</td>
</tr>
<tr>
<td>C+</td>
<td>77%</td>
</tr>
<tr>
<td>C</td>
<td>73%</td>
</tr>
<tr>
<td>C-</td>
<td>70%</td>
</tr>
<tr>
<td>D+</td>
<td>67%</td>
</tr>
<tr>
<td>D</td>
<td>63%</td>
</tr>
<tr>
<td>D-</td>
<td>60%</td>
</tr>
</tbody>
</table>

The average for the course will be based on the following weights:

- Quizzes*/Graded Homework: 35%
- Tests: 40%
- Final Examination: 25%

Total: 100%

* Quizzes may or may not be announced ahead of time.

**Schedule of Important Dates**

- **January 25, 2016 (Monday)**—last day to drop the course
- **April 18, 2016 (Monday)**—last day to withdraw from the course
- **May 5-6, 2016 (Thursday-Friday)**—Reading Days
- **May 12, 2016 (Thursday), 4:30-6:30 P.M.,** Final Examination in Frank J. DiLoreto Hall, Room 106
